Georgia State Lodge Fraternal Order of Police

572 Maddox Drive, Suite 210, Ellijay, GA 30540
For toll-free information, please call 1-800-590-4818

Dear Friends,

We would be honored if you would agree to support the Georgia State Lodge Fraternal Order of Police with a contribution when we call you. Over 4,000 Georgia law enforcement men and women are members of the FOP, which has been supporting your Officers since 1969. Your participation means a lot in our efforts to make our community a safer place to live, work and raise children. Your generosity will help us to support the many outstanding programs of our association, which include:

- Death benefits for the families of members
- A bulletproof vest program to help protect law enforcement officers
- A child fingerprint program
- Legal assistance for the members
- To pay the cost of the fund drive
- Support the general welfare of the organization

The FOP is committed to promoting the positive aspects of law enforcement to the communities we serve, while striving to better our profession through education and training. Members are law enforcement professionals from local police departments, sheriffs' offices and other state law enforcement agencies. We are a not-for-profit organization representing the members, and not the individual agencies.

Your donation is vital towards our continuing efforts to provide you and your community with these services. We would be sincerely grateful if you would join other businesses in Georgia by becoming a contributor to the Georgia State Lodge Fraternal Order of Police. Thank you.

Sincerely,

Carlton Stallings

President

The Fraternal Order of Police programs would not be possible without community sponsorship and support. Although the FOP is recognized as a not-for-profit professional law enforcement membership organization by the IRS, because of its particular status, donations are not tax-deductible as charitable contributions for Federal Income Tax purposes. Nonetheless, your support is vital to the Fraternal Order of Police. We would like to thank Xentel, Inc., a paid professional fundraiser located in Albuquerque, New Mexico, for its assistance with this campaign. Without their professional assistance and your support, we would not be able to continue providing services and benefits to our membership and our community programs for the citizens. A portion of the gross sponsorship proceeds is used to defray the expenses of public education, administration and the cost of this appeal. It is illegal to use the name, badge or insignia of any Law Enforcement Agency without authorization. No member of a Law Enforcement Agency can use, or allow the organization to use, their title, position or any other thing pertaining to official police duty in a solicitation. Registration with a state agency does not constitute or imply endorsement, approval or recommendation by that state of the paid solicitor, the organization or the cause the solicitor represents. A full description of the organizations' programs and a copy of the organization's financial statement, as well as the contract between Xentel, Inc., and the Georgia State Lodge Fraternal Order of Police, is on file with the Secretary of State and available upon request.
