

**Lead Investigator**  
**Nationwide**  
**Corporate Security & Investigations**

Due to an expansion strategy, CSI is now searching for ambitious Lead Investigators that holds a comprehensive understanding of the investigation business to join our team. Currently CSI has many opening throughout the United States.

The Lead Investigator will be involved in a new, exciting and challenging business venture with the vision of providing extraordinary execution and service to the legal, educational, institutional, medical, insurance and corporate needs. As a key member of the management team, you will provide day-to-day leadership for the ethical performance of all field work, while ensuring the high quality compilation and content of resulting case reports.

Being a strong, articulate and transparent communicator, you will also be expected to contribute to the strategic planning and talent development of the team.

As a self-starter who is comfortable in a remote working environment, you command the respect and trust of all stakeholders, especially your present clients with whom you enjoy a solid reputation as being one of the best.

The ideal candidate will have a minimum of 10 years field investigative experience, of which the last 5 years will have been spent leading criminal or civil investigations.

Applicants should have a current Private Detective Company (PDC) license, or capable of meeting state requirements as a qualifying agent.

If you meet or exceed the above requirements, then we would be interested in talking to you.
