**SURVEY OF SALARIES AND WORKING CONDITIONS OF  
GEORGIA LAW ENFORCEMENT AGENCIES**

# FRATERNAL ORDER OF POLICE

*Georgia State Lodge*

**772 Maddox Drive, Suite 104 ● Ellijay, GA 30540 ● Phone (888) 398-8308**

The Fraternal Order of Police would like to thank all the department heads and other personnel who took the time to complete the questionnaires used in compiling the information contained in the survey.

The survey is intended to be a quick reference and of course can't be entirely comprehensive. Some agencies submitted considerably more information than a survey of this type is able to contain. This information is appreciated and will be kept on file and will be available upon request any law enforcement agency or officer.

To insure the integrity of the survey, certain "rules" were applied throughout. The blank space is used throughout the survey and may indicate any of the following: (1) No response was given in this category. (2) An inappropriate response was given in the category. (3) The response "not applicable" was given in this area. (4) The response given could not be understood as it applied to this category. Decimal points were rounded to the nearest whole number, except in cases where this would significantly alter that entry. In categories requesting responses in number of days where number of weeks were given, a five day week was assumed. In categories requesting annual salaries where weekly salaries were given, the response was multiplied by 52. In categories where annual salaries were requested and hourly rate was given, the annual salary was obtained by multiplying the hourly rate the number of hours worked per week and then multiplying the result by 52, unless it was indicated that this was a part-time position.

We hope that you will find this survey to be a useful tool in matters concerning salaries and working conditions of law enforcement officers. We are pleased to be able to provide this survey and believe that its use can contribute to the advancement of our profession.

The date contained in this survey is based on conditions existing January 1, 2010. Some of the agencies did not respond this year due to the economy so we used their conditions existing January 1, 2009.

# FRATERNAL ORDER OF POLICE

## PREAMBLE TO THE CONSTITUTION

We, the law enforcement officers of the State of Georgia and the political subdivisions thereof, as representatives and delegates of subordinate lodges, do hereby associate the several lodges we represent and the members thereof for the following purposes:

*To support and defend the Constitution of the United States and the State of Georgia; to inculcate loyalty and allegiance to the United States of America and to the State of Georgia; to promote and foster the enforcement of law and order; to improve the individual and collective proficiency of our members in the performance of their duties; to encourage fraternal, educational, charitable and social activities among law enforcement officers; to advocate and strive for uniform application of a civil service merit system for appointment and promotion; to support the improvement of the standard of living and working conditions of the law enforcement profession through every legal and ethical means available; to create and maintain tradition of esprit de corps insuring fidelity to duty under all conditions and circumstances; to cultivate a spirit of fraternalism and mutual helpfulness among our members and the people we serve; to increase the efficiency of the law enforcement profession and thus more firmly to establish the confidence of the public in the service dedicated to the protection of life and property.*

## ARTICLE II SECTION 2 OF THE CONSTITUTION

The Georgia State Lodge Fraternal Order of Police is a fraternal organization composed of professional law enforcement personnel who have joined together for their common good. In no event shall the Georgia State Lodge Fraternal Order of Police join or be controlled by any labor organization, provided, however, that this Section shall not prohibit cooperative efforts by the state or subordinate lodges of the Fraternal Order of Police with labor organizations for their common good.

The Fraternal Order of Police shall not strike or by concerted action cause a cessation of the performance of police duties, or induce other members or lodges to do likewise.

# FRATERNAL ORDER OF POLICE

## MEMBERSHIP

Active membership in the Fraternal Order of Police is open to ALL full time law enforcement officers, regardless of rank. Municipal, county, state and federal government officers are eligible for membership.

## MISSION STATEMENT

The mission of the Georgia State Fraternal Order of Police is to promote professionalism and fraternalism within the law enforcement community in the state of Georgia, through public service and community enhancement activities; and by improving the benefits of our officers through legislation and labor relations, thereby creating and sustaining a well trained and well qualified work force of law enforcement officers.

The mission of the Georgia Fraternal Order of Police to its members involves providing a benefit package, which included legal representation, insurance, and labor relations support.

In working toward our mission, we create an atmosphere of confidence and a professional relationship between our law enforcement officers and the members of the communities, which they serve.

The Fraternal Order of Police is a non-profit organization made up of law enforcement officers volunteering their time for the betterment of law enforcement and their community.

## LEGISLATIVE EFFORTS

The Legislative committee identifies areas of concern to law enforcement and works with elected officials in the Georgia General Assembly to affect positive results. During the General Assembly, a full-time lobbyist is employed to support these efforts.

The legislative committee supports the Grand Lodge's legislative agenda in Washington, D.C., by lobbying Georgia's congressional delegation. The Committee also supervises the State Lodge endorsement program for select statewide officers.

## STATE LODGE BENEFITS

**Scholarships** – Five \$1000 dollar scholarships are awarded annually for members and five \$1,000 dollar scholarships are awarded in the same period to dependents of members for post-high school education.

**Protect our Protectors Program** – The State Lodge provides an opportunity for smaller law enforcement agencies to receive ballistic vests through the “Protect our Protectors” program. This program is also available to non-members.

**Web Site** – The State Lodge office maintains an up-to-date Web site. This Web site provides current information on state and national legislative issues. It also provides members with additional information on members' benefits and events. [www.georgiafop.org](http://www.georgiafop.org)
