

Advanced Enforcement: TPO Response as Homicide Prevention

12 HOURS

Join us for this two-day training designed to equip law enforcement with practical strategies for enforcing Temporary Protection Orders (TPOs) as a powerful tool to prevent domestic violence homicides. Through real case studies and the latest legal updates, officers will learn to recognize high-risk situations, enhance victim safety, and reduce liability. The training also explores how TPOs can be misused, providing officers with the knowledge and confidence to navigate complex cases effectively.
