All courses will begin at 0800 hours. Students are encouraged to arrive 15 minutes early to locate the training site, ensure they have all necessary equipment, and get settled in prior to the beginning of instruction. To register for a training course, please complete the online form by visiting <https://stephenssheriff.com/training-request-form/>

Once you submit the request, it will be logged in our system for coordinator review. Once the coordinator reviews the request and ensures there are enough seats, you will receive an email with a confirmation or wait-list notification.

All students will receive a course information email approximately 1 week before the course starts. This email will include information such as required equipment, last-minute changes, and any important information about the facility. Any available course materials will also be attached to this email. Students should print course manuals to bring if they want a printed copy. Otherwise, we recommend the use of a laptop or tablet to view course materials and take notes.
